Christian,

I would like to commend Slate Construction on a job well done on the Corpro Office Expansion project.

Since the project was constructed on an existing campus your coordination, supervision, experience and knowledge brought to this project, proved to be invaluable to its timely completion. Keeping all the moving parts and their respective personalities working smoothly is not always the easiest of task, but you have demonstrated the ability to lead even in the most difficult of circumstance.

I have very much enjoyed working with you, and look forward to our working together again.

Sincerely,

MUNSON KENNEDY PARTNERSHIP
