**SUBJECT: 3508 Remodel & Shop Build Out**

Mr. Brown,

Christian, I would like to take a moment to thank you and all the Slate employees for the successful project referenced above. The project had several challenges including an aggressive yet ridged deadline, which was met. Your company remained professional as we moved and revised plans and always met our expectations. I would like to call out, Gregg Allen, your site manager. He mixed technical skills with old fashion common sense when there were issues and came up with reasonable solutions.

Again, thanks.

If you or any of your clients have any further questions or comments, please feel free to contact me.

Sincerely,

The logo for Tellepsen Industrial, featuring a stylized red 'T' followed by the words 'TELLEPSEN' and 'INDUSTRIAL' in a bold, black, sans-serif font. Below the logo is a handwritten signature in black ink that reads 'C. F. Fenoglio'.
