Re: 8420 Beltway 8 (DMG Mori Project)

Dear Christian:

I wanted to take a moment to let you know how pleased Nelson Commercial Properties is with the services Slate provided to complete the renovation at 8420 N Sam Houston Pkwy W. Your team of Victor Murillo and Jesse White exhibited a commitment to quality and attention to detail throughout the project.

Our firm has worked with numerous contractors over the years and I can confidently say we look forward to working with Slate in the near future.

Regards,

Jim Nelson
President
